

EmoTrance Workshop & Training
21st Century Energy Healing for Your Emotions
By Patricia DancingElk and Carolyn Walker
March 28-29, 2009

***EmoTrance** is the simplest, most natural, elegant and effective way for releasing and transforming your emotional energy, managing your state, and reconnecting you with who you really are and the world around you. Real energy healing that works and a model for the way we function as spiritual beings in our environment. Meet and explore your own energy system and experience how easily and quickly you can put right what once went wrong and rediscover YOUR OWN flow of joy and love, laughter and delight with EmoTrance <http://www.emotrance.com>*

Sat March 28 EmoTrance Workshop

Learn the basics of transforming emotional energy, get introduced to your energy body and how to heal yourself. No previous training or knowledge required. All are welcome. Start with transforming your response to the incoming energies of life....the things that people say and do. Transform hurt to laughter, anger to compassion and strength. Open up and learn how to really receive and feel yourself really blossoming. Understand the energetic nature of your beliefs and how you can change them with ease. Then go on to become an EmoTrance Practitioner.

Sun March 29 Certified Practitioner Training

You have mastered the basics of transforming emotional energy; you have started to heal and change yourself and now you can learn to help others to do the same. You have grasped the simple essentials of transforming emotional energy and healing the energy body, restoring the even flow. Meet the Real You, and chart your course towards your real potential. Learn the secrets of energy nutrition and how to heal your heart and make it strong courageous and radiant. Learn to love yourself. Understand your shields, how they disconnect you from life, and how to safely release them, reconnect and be engaged and nourished by life again. Learn how to help others to transform their emotional energy with energy masters tips for accelerating healing. Become a real energy healer and specialist for the human spirit... You are now ready to become a practitioner, stepping up to the next level. This course prepares you with thought fields for success, clearing your vision of success and creating your energy state to attract the success you want. Grow your passion energy to fuel your journey; build the confidence to speak in public with passion from the heart; quickly and easily dissolve all obstacles on the way to your goal. Extend your influence for healing and change in the world around you by becoming an EmoTrance Practitioner.
